### ***A Case of You***

Meet Andy Curran, drummer in a struggling jazz trio. When a distinctly odd street person sings at an open mic night at the club where the trio is playing, it's clear they've found their salvation: a vocalist of incredible talent. But after Olivia Saint departs one night as abruptly as she'd arrived, Andy sets out to discover where she has gone and who she really is. The answers are not simple...and quickly turn deadly.

"Rick Blechta plays his readers the way his musician hero performs – with finesse, passion and fireworks." – Don Graves, *Hamilton Spectator*
