The detectives, and the reader, must figure out not only the murderer, but also the intended victim in a grisly game of cat and mouse. A woman is shot dead while looking for her dog. Local vet, Dr. Erica Merrill, who heard the shot, and her boyfriend Clay Caldwell, a deputy sheriff, don't think the killing was an accident. When another attempt at murder is made, the police have two crimes with no suspects, and with no idea who is the intended target.
