Lone Wolf: A Zack Walker Mystery

Reluctant hero Zack Walker has stumbled into some nasty situations before, but nothing like what he's about to uncover when a mutilated corpse is found at his father's lakeside fishing camp. The locals say it's a bear attack, but Zack suspects something more ominous – a predator whose weapons include arson, assault, and enough wacko beliefs to fuel a dozen hate groups. In FBI parlance, a Lone Wolf: a solo fanatic hell-bent on using high body counts to make political statements. When another body is discovered, and a large supply of fertilizer goes missing, evoking memories of the Oklahoma City bombing, Zack realizes the idyllic town of his childhood is on the verge of a catastrophe.
