Coast Salish street cop Silas Seaweed has his hands full. An elderly Jewish immigrant has disappeared. A mysterious old woman has been murdered. Valuable art stolen from German Jews during the Second World War has begun to show up in local auction houses, and the word on the street is that someone is planning to loot a priceless Coast Salish archeological site. As Seaweed investigates he comes to believe that these seemingly disparate cases are interconnected. But how? Unravelling the mysteries becomes a life-and-death quest.
