From experienced and award winning author Linda Hall comes **Strange Faces**, a collection of seven stories that will take you to a place where killers can linger in your backyard but where magic can sometimes change everything. The voyage begins with *Pickers and Choosers*, and with a group of young dumpster foragers who witness a murder. Or do they? And why now, after twenty-seven years is the terrible memory resurfacing? In *A Nice Cup of Something Hot* we meet Mrs. Wilkers, a divorced woman obsessed.
