In a quiet suburban neighborhood, in a house only one door away, a family is brutally murdered for no apparent reason. And you think to yourself: *It could have been us.* And you start to wonder: *What if we're next?*

Promise Falls isn't the kind of community where a family is shot to death in their own home. No one is more shocked than their next-door neighbours, Jim and Ellen Cutter. They visited for the occasional barbecue and their son, Derek, was friends with their boy, Adam. Suddenly, the Cutters must face the unthinkable: that a murderer isn't just stalking too close to home...but is inside it already.
